Morning services

9.15am & 11.00am

Loving God is a big deal. It is only possible because he loved us first and sent his Son Jesus to bring us back to himself. But loving God is so much more than just a Sunday morning feeling; it is a life-defining journey that changes our relationships, challenges our values, roots our security, determines our allegiance and sets the direction of all we do. That is the amazing journey on which the book of 1 John takes us and it's as relevant to us whether we want to begin that journey for the first time or take it further and deeper.

There is no better way to fan the flame of love for God than to have your mind blown by the sheer magnificence of Jesus! There is no better way to have your mind blown by Jesus than to dig deep into the book of Hebrews. We so quickly forget; we are so easily distracted and that's exactly what the writer of Hebrews understands so well. The message is that, whatever you compare him to, Jesus is better! And the challenge, therefore, is to settle for nothing but the best.
